Transform Your Specialty Product Sales with Culinary Alliance's Premium Dried Mushroom & Mushroom Powder Collection

Dried Mushrooms & Mushroom Powders

With recent trends in health and the growing popularity of Umami, fungi has skyrocketed to the top of culinary fascination and use.

There has never been a better time to add exotic mushrooms to your ingredient repertoire. Culinary Alliances' wide range of dried mushroom options propels our distributor partners ahead of the competition.

Easy to use - Just reconstitute the dehydrated mushrooms in water and you're good to go!

**3-4 ounces of dried mushrooms is equivalent to 1 LB of fresh mushrooms*
