

# WILD HIBISCUS FLOWER CO.

We love our customers, the creative ways they use our products in food and beverages and the great venues, events and celebrations they are featured at.

Our products are used throughout the food and beverage, hospitality, and events industry on a daily basis.

We believe that to earn "gourmet" status, a product must be made with individual care and attention to the highest standards. As our products blossom, we continue to make them all by hand, with the finest, all-natural ingredients, the best way we know how.

***We offer a full range of delicious edible flower products for Mixologists & Innovated Chefs.***

**Wild Hibiscus Flowers** - One of the most unique and special garnishes on the market, beautiful, delicious and versatile hibiscus flowers. You will love the vibrant crimson color and mixed-berry flavor. Perfect for Mixologists, Chefs, & Special Events. 100% yield with flowers & syrup!

**Pack: 12 x 11 ct. Jars | 15 x 11 ct. Jar Display box | 4 x 50 ct. Jars**

**Hibiscus Flowers in Rose Syrup** - A glorious indulgence and a tribute to the eternal romance of the rose, this product contains the natural essence of two dozen Bulgarian roses and 15 hand picked Wild Hibiscus Flowers. Our rose oil is the most premium rose oil in the world well rounded and not overpowering but still very sensual and delicious.

**Pack: 12 x 15 ct. Jars**

**Lotus Roots** have a fascinating natural pattern with a mild flavor. Sliced and combined with interesting flavors, our Lotus Root Specialty Garnishes are perfect for decorating cocktails and food.

Available in 3 unique flavors~ Gin-Spiced Pickle Juice, Hibiscus & Ginger Syrup, & Butterfly Pea Flower & Elderflower Syrup

**Pack: 6 x 12 Slices | 4 x 60 Slices**

**b'Lure Brand Flower Extracts** - Our flower extracts are an innovative new product line using the color pigment and flavor featuring three delicious flowers: Hibiscus, Bulgarian Rose & Hibiscus, and the mystical color changing Butterfly Pea Flower. b'Lure is ready and to use - 0% alcohol, heat stable, economical, highly concentrated, & 2-year shelf life. Just add 2-3 dashes per drink. You can create 30 cocktails per bottle.

**Pack: 6 x 3.4 oz Bottles per case**

**Blue Matcha Tea** - made from Butterfly Pea Flowers, naturally bright blue with a mild flavor. Blue Matcha works very well in suspension applications such as for dairy in ice cream, yogurt and lattes, and great for baking for breads and cookies where there is little water.

**Pack: 6 x 1 oz Tin | 4 x 1 Liter Jars | 6 x 2.2 Lb Bags**

**Butterfly Pea Flowers** - Our butterfly pea flowers are grown organically. We work together with our farmers on exceptional post harvest management to create the lowest moisture content available on the market offering premium quality with superb color and shelf life for 3+ years due to our specialized drying process. Each flower is whole & pesticide & chemical free.

**Pack: 6 x 3/4 Lb Pouch | 6 x 1 Kilo Pouch | 22 Lb Bulk Case**
